关于征收出口集装箱超期使用费（滞箱费）的通知

致尊敬的客户/订舱代理：

为规范集装箱周转管理，提升口岸集装箱流转效率，保障出口航运业务有序、高效开展，参照国际航运行业通用规则及国内港口市场状况，我司将正式执行出口集装箱超期使用费（滞箱费）计费规定。现将相关收费标准、计费周期及执行细则通知如下（本通知适用于我司全国各口岸出口订舱业务，所有客户及合作代理均需遵照执行）：

一、执行时间

自船舶 ETD 【2026】年【06】月【10】日起正式生效执行，所有开航日期为该日期及之后的出口订舱业务，统一按照本规则计费。

二、适用范围：

1、适用口岸：天津、青岛、上海、宁波、厦门、深圳、南沙等全国所有对外开放出口口岸（含内支线中转货物）；

2、适用箱型：20GP、40GP、40HQ、45HQ普通干货箱及冷藏箱、开顶箱、框架箱等各类特种集装箱；

3、适用业务：所有我司出口订舱业务。

三、免费用箱期标准：普通干货箱、冷藏箱、特种箱等：免费用箱期7天；客户退关还箱的，无免箱期。

四、计费规则

1、免费用箱期：自客户或其代理提取空箱当日起算，包含提箱日当天、周末及法定节假日，不作顺延；

2、计费截止：以货物实际装船ETD当日为准，重箱超期未进港、未装船持续计费；

3、计费方式：按自然日连续计费，周末、法定节假日正常计费；

4、豁免规则：因我司船期调整、船舶延误、甩箱、取消航次等船方原因造成的用箱超期，客户可提交书面申请，经我司箱管部门审核通过后予以豁免；因客户自身装货延误、取消订舱等非我司原因导致超期的不予豁免，全额计费。

五、滞箱费收费标准（人民币/箱/天）

Notice on the Collection of Export Container Detention Fees

Dear Valued Customers and Cooperative Agents,

To standardize container turnover management, improve container circulation efficiency at ports, and ensure the orderly and efficient operation of export shipping businesses, our company will formally implement the official charging regulations for export container detention fees in accordance with international shipping industry standards and domestic port market practices. The relevant charging standards, billing cycles and implementation details are notified as follows:

This notice applies to all export booking businesses of our company at ports nationwide, and shall be strictly followed by all customers and cooperative agents.

1. Effective Date

These regulations shall take effect officially for all export shipments with vessel ETD on and after **June 10, 2026**. All export bookings departing on or after this date shall be charged in accordance with the rules specified herein.

2. Scope of Application

- 1) **Applicable Ports:** All open export ports across China, including Tianjin, Qingdao, Shanghai, Ningbo, Xiamen, Shenzhen, Nansha and other national coastal open ports (including inland feeder transit cargo).
- 2) **Applicable Container Types:** Standard dry containers (20GP, 40GP, 40HQ, 45HQ), as well as reefer containers, open-top containers, flat rack containers and other types of special containers.
- 3) **Applicable Business:** All export container booking services operated by our company.

3. Free Container Usage Period

A free container usage period of **7 days** is applicable to standard dry containers, reefer containers and special containers. **No free usage period will be granted for containers returned due to customer shut-out and cancellation.**

4. Billing Rules

- 1) **Free Period Calculation:** The free usage period commences on the date of empty container pickup (inclusive), covering the pickup date, weekends and statutory holidays without extension.

2) **Billing Deadline:** Billing ends on the actual vessel ETD date. Continuous detention fees will be charged if full containers fail to enter the port or be loaded on schedule.

3 **Billing Method:** Fees are calculated continuously by calendar day, including weekends and statutory holidays.

4) **Exemption Rules:** Overdue container usage caused by carrier-side reasons, such as vessel schedule adjustment, vessel delay, container rolling and voyage cancellation, may be exempted upon formal written application and verification by our container management department. Any overdue container usage resulting from customer's booking cancellation shall be charged in full without exemption.

5. Detention Fee Standards (RMB/Container/Day)

	Type	From 1st-7th	From 8th-14th	From 15th-21st	From 22nd onwards
